How do I get to speak at a TEDx event?

As of August 2019, there have been more than 30,000 TEDx events in more than 3,000 locations around the world

About › [Conferences](#) ›

Speaking at TED

Each TED and TEDGlobal conference features more than 50 of the world's most innovative and influential speakers. If you know someone who belongs on the TED stage, or if you belong there yourself, we want to hear from you! Please use our [speaker recommendation form](#).

If you wish to suggest a speaker for a local, independent TEDx event, contact the organizer directly through the TEDx event's own web page.

About our speakers

At TED, we search year-round for presenters who will inform and inspire, surprise and delight. Our presenters run the world's most admired companies and design its best-loved products; they invent world-changing devices and create ground-breaking media. They are trusted voices and convention-breaking mavericks, icons and geniuses.

Collectively, TED speakers have won every major prize awarded for excellence, including the Nobel, Pritzker, Pulitzer, Oscar, Grammy, Emmy, Tony and MacArthur "genius" grant. TED also seeks out emerging artists, scientists and thinkers, introducing them to the TED community well before they hit the mainstream.

FAQ: Speaking at TED

TED isn't a typical conference. The TED audience has high expectations of the speakers; the TED speaker team works with speakers well in advance of the conference to help shape a presentation that will succeed on the TED stage. TED is the place to give the talk of your life.

How do I suggest a speaker?

Use our [speaker recommendation form](#), and fill in as much information as you can. This form goes directly to our speaker selection team.
